

WIZARD OF OZ

CYCLONE SCENE 3

Dorothy

Aunt Em! Aunt Em! Where is everybody?

The storm begins. A few **TUMBLE WEEDS** tumble across the stage. Two **CORN STALKS** swirl onto the stage and circle Dorothy and Toto. As that is happening a block is brought on by two stage hands dressed as farmers and placed center stage.

A **CHICKEN** goes clucking by and two pieces of **PICKET FENCE** swirl around Dorothy and Toto as they get up onto the block.

Dorothy

Where are we? Why everything is moving!

MISS GULCH crosses by, riding her bicycle.

Miss Gulch

I'll get you! And you're little dog too!

Dorothy

Toto, look! It's Miss Gulch. She's after you even up here.

A LADY IN A ROCKING CHAIR is carried out by the two stage hands and they circle Dorothy and Toto then exit.

Lady in Rocking Chair

Good day.

TWO MEN IN A ROWBOAT paddle around Dorothy and Toto.

Rowboat Man #1

Howdy.

Rowboat Man #2

Strange weather we're having.

Dorothy

We must be up inside the cyclone!

A **COW** comes spinning by.

Cow

Mooooooooo!

A **TWISTER GAME** comes spinning on followed by the **KITCHEN SINK**.
Miss Gulch is now the **Wicked Witch**, she flies by on her broom.

Wicked Witch

Ah-ha-ha-ha-ha-ha-ha!

Dorothy

Hide, Toto! Hide!

They exit.

A **TWISTER & A HOUSE** that are spinning together fly by as the music builds. Lights flash, the sound of the storm grows louder and louder and then
