

Wizard of Oz  
Scene 5  
Crows new end of scene

**Dorothy and the Scarecrow dance off. The Crows wave goodbye.**

Crow 1  
G'bye Scarecrow! Good luck!

Crow 2  
I'm going to miss that old haybag.

Crow 3  
I never cared for her.

Crow 4  
How's that?

Crow 3  
Too much of a stuffed shirt.

Crow 4  
Yeah, and all her jokes were corny!

Crow 5  
Yeah, like, "What is a scarecrows favorite fruit?"

Crow 1  
Straw-berries!

**They all laugh.**

Crow 6  
Hey, I have a crow joke.

Crow 2  
Tell us!

Crow 6  
What kind of crows stick together?

Crow 2  
What?

Crow 6  
Vel-crows

**Hooting with laughter, the crows fly off.**
